Firm Investments - Activity

Colors used:

- Navigation bar, table header and footer use: cadetblue or #5f9ea0
- Firm Investments text in navigation bar use: oldlace or #fdf55e6
- Text for navigation use:
 - Beige or #f5f5dc
 - On hover use: khaki or #f0e68c
- Table header text and footer use: beige or #f5f5dc
- Borders around content and borders used in the table: lightgray or #d3d3d3
- *h2* headers use: saddlebrown or #8b4513

Fonts:

- Select an appropriate serif Google web font for:
 - the 'Firm Investments' in the navigation bar, as well as,
 - the *h2* headers.
- Select an appropriate sans serif Google web font for:
 - all other text.

Directions:

Style Sheet:

- Create an external style sheet.
 - Only add links to attached external code to the HTML file.
 - Do not add any other code beyond links to the HTML file.
 - Do not add any classes or IDs to the HTML to make this work.
 - Do not use embedded or inline styles.

Navigation bar:

- Design the navigation bar to appear as shown in the image on page 1 of these directions.
 - Hint: You will need to adjust the width of some of the line items (*li*) to provide even spacing of the navigation text.

Firm Investments - Activity

Header image:

- The image is already added to the HTML page. Design the page to appear as the image on page 1 of these directions.

NOTE: Remember, do not change the HTML or add any classes or IDs to the HTML or use embedded or inline styles to make this work.

Content area (Knowledge, Service and Results areas):

- Add the border around the 2 content areas.
 - Add a slightly rounded corner to the borders.
- Position and style the 2 content areas as shown on page 1 of these directions.
- Style the table as shown on page 1 of these directions.
 - First column: align the text to the left.
 - All other columns: align the text to the right.
 - Make sure there is proper spacing between the text and the edge of the cell.

Footer:

- Design the footer to appear as shown on page 1 of these directions.

Before submitting:

- Validate the HTML and CSS. Make corrections as needed.

Submission:

- Upload to your student website.
- Add a link to your homepage that will open the advSelectors.html file.
- Test that the link works.
- In Blackboard paste the URL to the advSelectors.html page in the comments area.

Contact the Instructor if you have any questions.
